Precautions

• This disc contains software for the PlayStation®2 computer entertainment system. Never use this disc on any other system, as it could damage it. • This disc conforms to PlayStation®2 specifications for the PAL market only. It cannot be used on other specification versions of PlayStation®2. • Read the PlayStation®2 Instruction Manual carefully to ensure correct usage. • When inserting this disc in the PlayStation®2 always place it with the required playback side facing down. • When handling the disc, do not touch the surface. Hold it by the edge. • Keep the disc clean and free of scratches. Should the surface become dirty, wipe it gently with a soft dry cloth. • Do not leave the disc near heat sources or in direct sunlight or excessive moisture. • Do not use an irregularly shaped disc, a cracked or warped disc, or one that has been repaired with adhesives, as it could lead to malfunction.

Health Warning

For your health, be sure to take a break of about 15 minutes during every hour of play. Avoid playing when tired or suffering from lack of sleep. Always play in a well-lit room, sitting as far from the screen as the cord will allow. Some people experience epileptic seizures when viewing flashing lights or patterns in our daily environment. These people may experience seizures while watching TV pictures or playing video games. Even players who have never had any seizures may nonetheless have an undetected epileptic condition. Consult your doctor before playing video games if you have an epileptic condition or immediately should you experience any of the following symptoms during play: dizziness, altered vision, muscle twitching, other involuntary movements, loss of awareness of your surroundings, mental confusion, and / or convulsions.

Setup

Set up your PlayStation®2 computer entertainment system according to the instructions in its instruction manual. Attach game controllers and other accessories, as appropriate. Make sure the MAIN POWER switch (located at the back of the console) is turned ON. Press the ⏻/RESET button. When the ⏻ indicator is green, press the ⏏ button. The disc tray opens. Place the "GT-R Touring" disc on the disc tray with the label side facing up. Press the ⏏ button again and the disc tray closes. Follow on-screen instructions and refer to this manual for information on using the software.

It is advised that you do not insert or remove accessories once the power is on. Make sure there is enough free space on your memory card (8MB) (for PlayStation®2) before commencing play.

GT-R Touring uses an auto save/load feature. If a memory card (8MB) (for PlayStation®2) containing previously saved game data is inserted in MEMORY CARD slot 1, then the game data (game settings and fastest lap times) will be loaded automatically upon boot up. Please note only MEMORY CARD slot 1 is supported, 54KB of free space is required to save game data.

Note: This title only supports the use of an Analog Controller (DUALSHOCK®2).

Caution! GT-R Touring uses an Autosave feature. Insertion of a memory card (8MB) (for PlayStation®2) after boot up may cause data to be overwritten.

HOW TO PLAY

At the Title screen press the START button to advance to the main menu. Here you are presented with the following options:

SINGLE PLAYER RACE

Here you can choose from one of the following games:

Quick Race: Choose the track, the Car (only cars that have been unlocked), number of laps. Then go for a single race against 5 other opponents.

Championship: Enter a series of races that are over 3 laps against other drivers to see who will be the next champion (see tables below)

Time Trial: Complete the 16 time trials against the clock. As the time trials are completed cars are unlocked so they can be used in the single race and championship modes.

MULTIPLAYER

Feel like competing against one of your friends? Come and find out who will be the fastest. Setup your track, cars, number of laps and head for the track! (This option is activated when two Analog Controller (DUALSHOCK®2) are connected)

GAME RECORDS

Check your performance from the following options:

Lap Records: Check out your best times! A time is stored for each different type of car.

Game Progress: What car did you unlock, track? Did you win gold in all courses of the championship? This is the place with the answers.

OPTIONS

Once you have selected OPTIONS at the Main menu you will proceed to the OPTIONS menu. Here you can change various game settings as follows:

To store the changes select save at the bottom of each of the above screens.

SINGLE PLAYER RACE

QUICK RACE

Once you have selected the QUICK RACE you will be presented with the options SELECT CAR, SELECT TRACK and START RACE. In the SELECT CAR menu you can choose from any of the available vehicles to race. In the SELECT TRACK menu you are able to select the track you wish to race and for how many laps. Additionally, if you want to race in either reverse or wet conditions highlight your chosen track and press the L1 button to toggle reverse ON/OFF and the R1 button to toggle wet conditions ON/OFF.

CHAMPIONSHIP

First you will want to configure your options in Race Setup. Choose your car from the cars that are unlocked. If you decide for a production model you will have the choice from the following championships:

Production Championship	Races
Amateur Series	4 races
Pro Racing	5 races
Super Cup	6 races

If you decide on a GT model you will have the choice of the following championship:

GT Championship	Races
Touring GT-R	4 races
GT-R Touring Championship	5 races

If you decide on a GT-S model you will have the choice of the following championship:

GT-S Championship	Races
Global GT-R Touring	6 races

In the championship mode you have to finish 3rd place or better to progress to the next round. You are given 3 retries per championship. If you have used all the retries and you haven't completed the championship you will need to start the championship again.

TIME TRIAL

Once you have selected the TIME TRIAL option you are presented with the next time trial that you haven't completed. You have 16 Time Trials to unlock. To unlock them you have to beat the time that has been set for that challenge. You have unlimited attempts to beat the time. You may revisit the challenges to improve upon your own best times, the best times are displayed on the right hand side of the screen.

MULTIPLAYER

Once you have selected the MULTIPLAYER option you will be presented with two options. Choose between Race Setup and Start Race. If you choose Race Setup Player 1 will be taken to the CAR SELECT screen. Once Player 1 has chosen a car, Player 2 will be asked to choose their car. You will then be taken to the track select screen. Choose the track and number of laps.
